Carrie, REI had solicited access to both the requested property owners to sample the potable water supply wells on May 9, 2019. REI reached out to both property owners through certified mail and one of the letters was returned on June 7, 2019 as undeliverable. The second request was held at the post office at the customers request from May 11, 2019 and finally delivered on June 10, 2019. Copies of the USPS tracking are attached. Please let me know if you have any questions or concerns.
